One guest presenter has proposed the following resolution on behalf of their presentation:

“Whereas, the NPA vote is not a yay or nay vote on any ballot item itself, but rather an advisory resolution for the Mayor and our City Councilors to hear from the electorate; and

Whereas, the petitioned City Hall Park ballot item is advisory, and

Whereas, the City Council votes to decide which items appear on the Town Meeting Day ballot giving the voters a chance to weigh in on the issue;

Therefore, we the residents do hereby petition the Mayor and our City Councilors to place the City Hall Park advisory item on the Town Meeting Day (March 5th, 2019) ballot.”
